

KMart, Clarkson (Australia)

Case Study

For the main entrance to Kmart, at the Ocean Keys Shopping Centre in Clarkson, Western Australia, a record STA 22 automatic sliding door entrance was installed by Go Doors to provide simple and effective security after hours.

The single sliding door is 6350mm wide and 3000mm high with continuous top and bottom rails supporting 3 panels of toughened glass with silicon butt joints.

The operator has been commissioned to open completely within 30 seconds.
