

The Dolder Grand, Zurich (Switzerland)

Case Study

The Dolder Grand is a 5-star hotel located at Zurich-Hottingen; it used to be called the Dolder Grand Hotel, and has been located here since 1899. The original "Curhaus" dating back to 1899 also belonged to the luxury class of city spas. Located on the western slopes of the Adlisberg between the pulsating city and the invigorating countryside, it provides a magnificent view of the city of Zurich, the lake and the Alps.

The Dolder Grand features 176 luxurious rooms and suites, exquisite cuisine, a spa covering 4,000 square meters, spacious banqueting and conference rooms, as well as a valuable art collection.
